Skills

Computer skills

- Basic knowledge of: Object-Oriented Programming, Java, C#, Rust, Python, HTML, CSS, PHP, PhpMyAdmin, Windows, Plan 9 from Bell Labs.
- Moderate knowledge of: Go, macOS, computer architectures, x86 assembly, algorithms and data structures, cryptography, networking, CUDA, OpenMP, MPI, linear algebra.
- Extensive knowledge of: Unix-like operating systems (especially Linux and OpenBSD), C89.

Social skills

- Humor
- Attention to details
- Tidiness
- Constructively criticizing
- Accepting mistakes
- Cooperation

Interests

I'm a curious person, especially towards science. In my free time I like to read Wikipedia articles and develop open source projects. I'm particularly interested in OpenBSD and Plan 9 (and 9front).

Languages

Italian	Native	*I can read, write, listen, and speak like a native, with very few to no imperfections. Imperfections are due to the influence of regional dialect and accent.*
English	B1	*I can read, write, listen, and speak fluently about everyday topics and computer science.*
